Dear Council President Lightner:

I support the partnership between Kilroy, the project litigants and the broader community to redesign the new One Paseo. I currently work in a building adjacent to the One Paseo site, and I feel the amenities and community enhancements that One Paseo offers are essential to maintaining the growth and success of Del Mar Heights' El Camino Real office corridor.

Overall, I am impressed with the project's community engagement the past year and the teamwork involved to design the new project. Furthermore, the new One Paseo has my support because it is not only reduced in bulk, scale and traffic impacts, but also remains aligned with our region's goals for efficient, ecologically-responsible land use. I urge you to consider the progress that the project has made especially in this past year and vote in support of the new One Paseo on June 27.

Sincerely,

A handwritten signature in cursive script that reads "Elizabeth Bonacci".
